

Department of Toxic Substances Control

Community Update

Tuesday, April 12, 2016

6:30 p.m. – 8:30 p.m.

**El Camino Real Charter High School, Anderson Hall
5440 Valley Circle Blvd., Woodland Hills, CA 91367**

You're invited to attend an information update on recent and future cleanup activities at the Santa Susana Field Laboratory (SSFL).

Staff from the Department of Toxic Substances Control, the lead regulatory agency overseeing the SSFL investigation and cleanup, will provide information on the SSFL activities conducted over the last six months as well as those that are anticipated in the next six months.

Additionally, staff from the California Los Angeles Regional Water Quality Board, Department of Energy and The Boeing Company will be available to answer questions pertaining to specific cleanup activities for their respective areas of the Site.

Meeting Agenda

- Open House
- Introductions
- SSFL Status Update Presentation and Q&A
